Want more PROOF this has all been planned?! Check out these documents.

Updated: Jul 28

Part 5....from the "WE ARE BEING PLAYED" series I have written in "these times". (I have linked Part 1 - 4 at the end of this report.)

As always, I find interesting AND IMPORTANT documents and report them to you. Not my words....just reporting my findings. I'm not sure how ANYONE CAN DENY MY LATEST FINDINGS FROM THESE DOCUMENTS. I have also attached videos that go through the documents. **Empower yourself with knowledge.** Here you go:

Just found & scoured this document from 2019 from the Global Preparedness Monitoring Board (GPMB).

A WORLD AT RISK

Annual report on global preparedness for health emergencies

Global Preparedness Monitoring Board

September 2019

These extensive documents from Sept 2019 (1 month from Event 201 which was 1 month before the first case in Wuhan) covers all aspects of the **‘Plandemic Simulation Exercise’** starting from a **simulation for deliberate release of an infectious agent**, contact tracing, and things we have yet to see - like invasive procedures at airports (e.g. vaccination).

Countries, donors and multilateral institutions must be prepared for the worst.

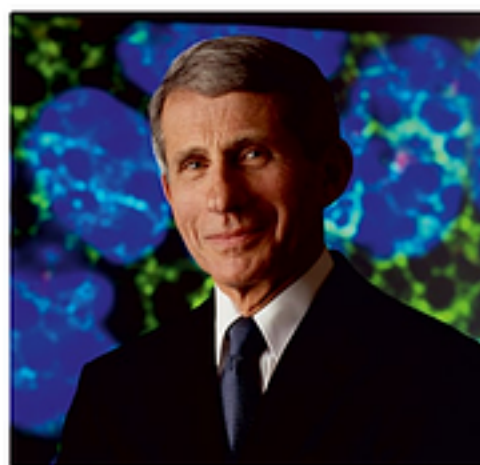

A rapidly spreading pandemic due to a lethal respiratory pathogen (whether naturally emergent or accidentally or deliberately released) poses additional preparedness requirements. Donors and multilateral institutions must ensure adequate investment in developing innovative vaccines and therapeutics, surge manufacturing capacity, broad-spectrum antivirals and appropriate non-pharmaceutical interventions. All countries must develop a system for immediately sharing genome sequences of any new pathogen for public health purposes along with the means to share limited medical countermeasures across countries.

Progress indicator(s) by September 2020

- The Secretary-General of the United Nations, with the Director-General of WHO and Under-Secretary-General for Humanitarian Affairs strengthens coordination and identifies clear roles and responsibilities and timely triggers for a coordinated United Nations systemwide response for health emergencies in different countries and different health and humanitarian emergency contexts.
- The United Nations (including WHO) conducts at least two system-wide training and simulation exercises, including one for covering the deliberate release of a lethal respiratory pathogen.
- WHO develops intermediate triggers to mobilize national, international and multilateral action early in outbreaks, to complement existing mechanisms for later and more advanced stages of an outbreak under the IHR (2005).
- The Secretary General of the United Nations convenes a high-level dialogue with health, security and foreign affairs officials to determine how the world can address the threat of a lethal respiratory pathogen pandemic, as well as for managing preparedness for disease outbreaks in complex, insecure contexts.

Their board members include 13 individuals, one of which is Anthony S. Fauci.

About the **Global Preparedness Monitoring Board**

Co-convened in May 2018 by the World Bank Group and the World Health Organization, the Board builds on the work of the Global Health Crises Task Force and Panel, created by the United Nations Secretary-General in the wake of the 2014- 2016 Ebola epidemic.

THIS STRAIGHTFORWARD SIMPLY VIDEO WALKS YOU THROUGH THE DOCUMENT. (it got hacked which you will see at the end)

Here is the GPMB document for you to see yourself: *A World at Risk, 2019, Annual Report GPMB*. (This document was based from the signing of the 2005 IHR Document below with 196 countries.)

You can see the 196 countries who signed off on this agreement right from the WHO website in 2007: https://www.who.int/ihr/legal_issues/states_parties/en/

Here is the IHR document for you to see yourself: *International Health Regulations (2005)*:

This is MAJOR documentary confirmation of something many of us have come to know for certain in recent times: **the entire COVID-19 world-shutdown is part of a live training and simulation exercise** run by the WHO and United Nations, as documented in their Global Preparedness Monitoring Board's annual 2019 report and their International Health Regulations treaty of 2005—which 196 countries signed off on—which pretty much establishes a Global Government (of the WHO & United Nations, & the high-level international GMPB) along with their sponsors, the Bill and Melinda Gates Foundation, the Wellcome Trust, & other unnamed donors.

Did Bill Gates & World Economic Forum Predict Coronavirus Outbreak? An Inside Look May Shock You!

In this report we take an inside look at Event 201, which took place in NYC on October 18 2019. Event 201 is a high-level pandemic exercise hosted by the Johns Hopkins Center for Health Security in partnership with the World Economic Forum and the Bill and Melinda Gates Foundation.

This is extremely fascinating because this pandemic simulation exercise of coronavirus took place about 6 weeks before the first illness from the coronavirus was actually reported in Wuhan, China! That is one hell of a coincidence if you believe in that sort of thing.

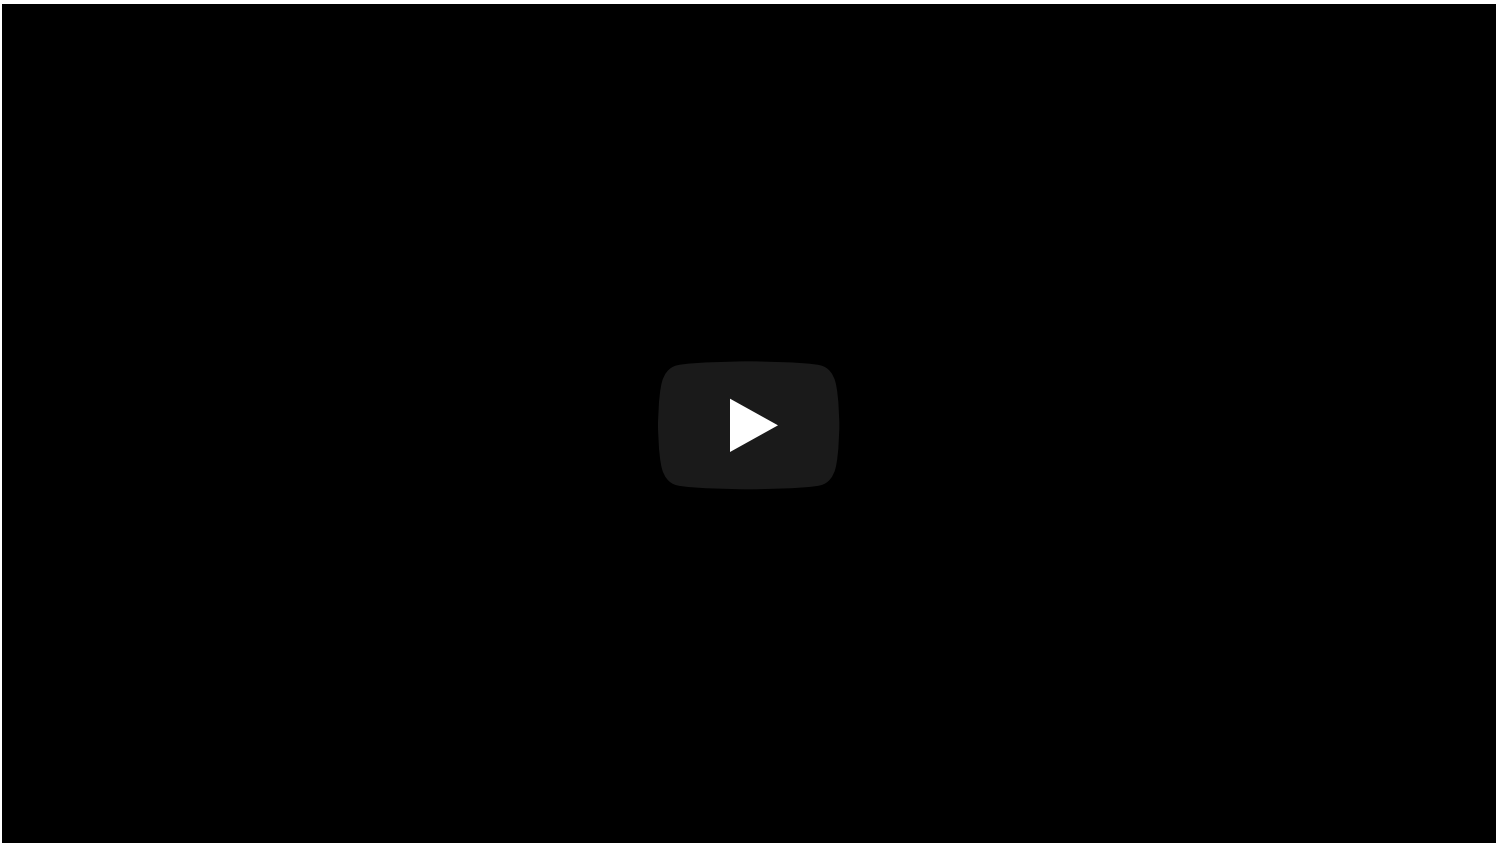

Another fascinating connection, is the fact that not only did the Bill and Melinda Gates Foundation participate in and help set up the pandemic simulation of a coronavirus outbreak, but they just so happen to fund the group who owns the patent to the deadly coronavirus and are already working on a vaccine to solve the current crisis. Again an incredible coincidence...

In this report you will see footage from inside the event as the members of the emergency

epidemic board in this simulation, which consists of representatives from major banks, the UN, the Bill and Melinda Gates Foundation, Johnson and Johnson, logistical powerhouses, the media as well as officials from China and America’s CDC just to name a few. ***This simulation also includes news reports that were fabricated just for this exercise, please keep that in mind because they are eerily similar to reports we are currently seeing regarding this real world coronavirus outbreak.***

These videos below really help connect the dots and learn more about the documents above and what they mean. Very fascinating info to see where the money is going and coming from.

The Corbett Report always offers insightful information. Here are a few episodes that correlates to todays post: (he always has TONS of links & references, too, for further education).

A great discussion between James Corbett and Ernie Hancock, to which I've added footage from the Global Corona Virus Pandemic Exercise from October 18, 2019, and from the Corbett Report documentary 'Who is Bill Gates?'

If you have gotten this far, YOU KNOW NOW that the Gates Foundation was one of the funders for Event 201 Pandemic Simulation Oct 19, 2019. (+ currently for WHO, GPMB, IHR) It's all over their websites. This is common knowledge!

Then why did he lie in this article?? Well because he lies all the time. Is this the man we are supposed to trust right now?!!

Why is Gates denying Event 201?

In October, 2019 Microsoft founder Bill Gates, who, together with his wife, runs the richest and most powerful foundation in the world, co-organised a simulation exercise on a worldwide corona epidemic. Videos were posted documenting the exercise. But intriguingly Gates now denies such an exercise ever took place.

Why? On April 12, 2020, Bill Gates said in an interview to the BBC, "Now here we are. We didn't simulate this, we didn't practice, so both the health policies and economic policies, we find ourselves in uncharted territory."

I don't know how much more proof people need that this has all been planned....for years. 🙄

Goodmorning ☀️

As the world is quickly evolving, SO AM I. At this stage of my life, personally as well as professionally, I am taking my level & desire for truth in my life, represented by the way I live & how I interact with others, as well as who I choose to surround myself with, not only in person, but also on social media. As I said yesterday, "You do you, and I'll do me."

Whether you realize or accept it or not, we are in a very crucial time on earth. I don't have energy anymore to engage in debates about things I already know about and have spent months & months researching (like anyone else can do for themselves). My pages are no longer a place for fakeness or trying to convince anyone the fact that we are in indeed in WW3 right now, economic destruction has been planned & is coming, Global Governance has been planned and is coming, upcoming vaccines are not about a virus but about sterility & AI & putting us on a grid system, social distancing & masks are destructive & those wearing it religiously right now will suffer the most when round 2 comes, (and yes it is coming because this has been planned), our world political systems are run by pedophiles and that's why you are

grid system, social distancing & masks are destructive & those wearing it religiously right now will suffer the most when round 2 comes, (and yes it is coming because this has been planned), our world political systems are run by pedophiles and that's why you are seeing so much about human trafficking right now & the pedophile movement.....there is a political pedophile corporation & business that runs our world. If you believe the MSM news, do not understand why everything about health is being censored and deleted all over google, you tube, FB, & IG, can not see the wrong doings of Bill Gates or Fauci or the WHO or CDC, believe the government really cares about your health, do not understand that BLM was orchestrated to divide us but also destroy the economy & destroy historical monuments so there is no reminders of our history.....if you do not get these things you need to delete me. I need to move forward with a new growing community.

In life as we know, relationships & friendships do not always last forever. And this is only social media anyways (which I will be banned from soon I'm sure).....if you delete me now because my posts are too triggering I STILL LOVE YOU. It's ok, I give you permission. If we are meant to be friends again, we will. Trust in the flow of life. I do. 🙏💚 Plus I always have email, WhatsApp (for now), IG (for now) & telegram if you ever want to reconnect. I'm cool with

will. Trust in the flow of life. I do. 🙏❤️ Plus I always have email, WhatsApp (for now), IG (for now) & telegram if you ever want to reconnect. I'm cool with it. I understand that we all need to do what's right for us. Please BE TRUE TO YOU because I am most definitely going to be true to me....those who know me know this is how I have always lived my life.

I look for a resonance now in my connections, so we can come together to co-create a better future. This is a war on consciousness, and to know you're in that war you first have to become conscious. Otherwise you are just responding to something outside of yourself. Your thoughts, beliefs and behaviours are conditioned external constructs.

There is an ever emerging schism splitting the population now, and that gap is only going to widen as we approach the US elections. THE STATE OF THE WORLD AND WHAT COMES NEXT IS ALL DEPENDENT ON THE US ELECTIONS. If you have a hard time accepting this statement now, let's touch base next year & discuss what has happened in a year....with 100 percent of every cell in my body, I know those unawakened now, will say 'holy shit she was right' by this time next year.

There is no such thing as 'returning to normal' nor am I interested in adjusting to a sick society and playing

There is no such thing as 'returning to normal' nor am I interested in adjusting to a sick society and playing by its rules. Tried that, never liked it. (why do you think I live in nature in the middle of nowhere in Nicaragua?!)

I want to associate with people ready to step into their power and reclaim what is theirs. People who don't bend over backwards and obey to completely ridiculousness and unjust restrictions on their freedom.

I also want to associate with those who value nature, and don't worship the matrix architecture that pillages and exploits our Mother.

I want to associate with those who have a vision and the belief to bring it into manifestation. A vision that works in harmony with the Earth whilst elevating consciousness allowing for individual evolution.

Just to make it clear, I'm all for exchanging ideas and learning from one another but from a place of empowerment and creativity, not those who want to enforce authority and promote slavery.
