WE ARE BEING PLAYED. PLEASE READ.

Updated: Jun 29

What I am about to share will be affirming for some, and shocking for others. As many of you know, I have been extremely dedicated to investigating what has been happening in the world, on so many levels since March. I need to fully understand why so many things have not made sense to so many of us. I research EVERYTHING daily to look for answers and to educate myself. I have uncovered many things. What I am sharing with you today is the biggest thing I have uncovered that proves Covid was planned and executed. This is not a conspiracy theory. **THIS IS AN ACTUAL PLANNED CONSPIRACY.** These are straight up facts right from the website of the people who planned this. It is right on the web in plain site! But most people don't know it is there, and most people probably won't understand the depth of it unless someone breaks it down for you. Which I will try and do today.

I have realized that my job is not to awaken anyone.
My job is to awaken myself.

But my duty is to share what I have learned.
I have thought about this long and hard if I should share this because I know it will be very

difficult for some people to comprehend. But I feel that if I do not share, I am being deceitful and compliant. So I must share what I have found.

I am going to try and keep this simple, take out any of my opinions, take out my emotions, and just stick to the facts, which is what is happening in our world HAS BEEN PLANNED FOR DECADES.

As we know, many major inconsistencies have been coming out about Covid, especially in the last week alone. Tainted tests, falsified numbers, manipulated stats, doctors & scientists speaking out, lockdowns that don't make sense, predicted numbers TOTALLY WRONG.....we are all aware. It is also questionable how the virus originated.

It is however evident 100% that there is a virus of some sort and it is still a mystery who gets affected, who dies, and who doesn't (although many of us in the health profession have theories about why this happens). **This is not being disputed.**

Now the riots. There seem to be many incongruences with the black man who was murdered, was he really who he said he was, did he actually die, was that man really a cop, did they really work together, why was his casket closed, why was there even a big funeral allowed with politicians & celebrities when people all around the world are being denied funerals right now, why were protests suddenly allowed to happen when a week earlier we were told NOT to go outside, why were there riots, why were there 2 groups (peaceful protestors vs. destructive rioters), where did the rioters come from, why were bricks planted everywhere.....so many things being said about the situation of what is true and what is not true.

Imagine if everything we THOUGHT WE SAW WAS NOT TRUE. Imagine if we have been deceived, and the media (and government) sways you to think and feel in a certain way.....something to ponder for sure, but I would like to stick to the facts today.

*** (Side note: Have you researched **who owns the main stream media?** YOU SHOULD. Because it is all connected to what is happening here.)*

Everything I have found here and sharing took me 24 hours to research.....I have been reading NON-STOP to figure this all out. And this is only the tip of the iceberg...

I have found information that proves that Covid was planned, thought out, and implemented as smokescreen for something else. It is not a theory of any kind.....IT IS RIGHT ONLINE FOR EVERYONE TO SEE.

THE WHOLE ENTIRE ELABORATE PLAN IS RIGHT ONLINE FOR EVERYONE TO SEE.

Have you heard of Agenda 21? Research it. I don't have time to do all the work for you, I can just point you in the right direction and let you see for yourself.

Key points I will share that I have found on my research:

Agenda 21, **created in 1992**, has been carried out by NGOs funded by foreign countries, and groups like the "Open Society Foundation" (George Soros) + Bill & Melinda Gates Foundation.

One major objective of the Agenda 21 initiative is that every **local government** should draw its own local Agenda 21. Since 2015, [Sustainable Development Goals](#) are included in the newer [Agenda 2030](#).

Research this, too. The official name is the **UN AGENDA 2030 FOR SUSTAINABLE DEVELOPMENT**.

****Also, you can check the Agenda 21 programs implemented in your city or town by searching Agenda 21 and the name of your city in Google.****

I have provided a link here so you can read it all:

<https://sustainabledevelopment.un.org/post2015/transformingourworld>

The United Nations Agenda 2030, adopted in 2015 and fiercely **promoted and funded by the Gates Foundation**, consists of 17 Sustainable Development Goals [aka Green New Deal] to be achieved by the year 2030. Soros & Rockefeller are also funders here. Surprise, surprise. (Gates is also the largest private donor to the World Health Organization, a U.N. agency.)

The below is a listing where the government/entity/organization **Bill and Melinda Gates Foundation** is listed as a partner:

<https://sustainabledevelopment.un.org/partnership/partners/?id=2224>

IT IS VERY IMPORTANT THAT YOU KNOW THIS WAS AMENDED AND CREATED IN 2015.

New York, USA, 13 June 2019– "The World Economic Forum and the United Nations signed today a Strategic Partnership Framework outlining areas of cooperation to deepen institutional engagement and jointly accelerate the implementation of the 2030 Agenda for Sustainable Development." <https://www.weforum.org/press/2019/06/world-economic-forum-and-un-sign-strategic-partnership-framework>

On the surface this looks very good. It looks beautiful and amazing! It looks like everything we have ever dreamed of, right? But it is more than meets the eye and once dissected reveals **global government takeover of every nation across the planet**, dismantling sovereignty, property rights, privacy, food systems, and more. The document reveals code words for a corporate-government fascist agenda fueled by globalist corporations like Monsanto and DuPont. (You all know how I feel about Monsanto). If you read through all this information and would like to discuss the pros and cons with me, I am all for it. But today I would like to stick to facts, not opinions.

Ok, next step. The World Economic Forum that was created to support Agenda 21, now Agenda 2030. <https://www.weforum.org/covid-action-platform>

It was created in 1971. 50 years ago.

Bill Gates is attached to both parties, the UN and also The World Economic Forum:
<https://www.weforum.org/agenda/authors/bill-gates>

In 2018, World Economic Forum states: "The multi-stakeholder approach defines the core of the 2030 Agenda and Sustainable Development Goals: **"we are all in this together."** (Wait a minute....sound familiar? Have we not heard this phrase being said over and over and over again since Covid started??" WE ARE ALL IN THIS TOGETHER??" This is not a coincidence.)

On the surface, the website looks amazing. Stunning! Beautiful! All the words and mission statements we want to hear!! It is an action plan to support & implement the UN AGENDA 2030 FOR SUSTAINABLE DEVELOPMENT.

I IMPLORE you to sign up to the site (all you have to do is put your email, takes 1 min). This way you can see the entire plan for **GLOBAL GOVERNANCE**. What does that mean? It means the **New World Order where there is no borders, only 1 government, and only 1 world**. THAT'S WHAT THIS WHOLE ACTION PLAN AND SITE IS FOR. It is an extremely mind blowing comprehensive plan to change our entire world as we know it.

Once you start going into this VERY IN-DEPTH WEBSITE, YOU NOTICE MANY MANY THINGS. (I would also like to add that I have spent already over 24 hours researching this website and probably not even 1/3 of a way through. On top of that it changes every single day).

*** (You do not have to spend 24 hours here to understand it as I have laid this out for you very easily to just follow the links and do some readings and explorations, and come up with your own conclusions. I have done all the work for you to make this easy for you to navigate.)*

THIS WEBSITE IS COMPLETELY MASSIVE.

It has to be....it is the entire systems plan for changing our entire world.

I IMPLORE you to sign up to the site (all you have to do is put your email, takes 1 min).

When you click on one link, there are numerous tentacles for each topic. When you dig deeper there are more than 200 links PER tentacle. It is never ending! It just keeps going and going! And everything is connected!! Why? Because it is an entire, comprehensive, meticulous plan for changing our ENTIRE world! No detail has not been addressed. I have literally already spent 24 hours on this site, researching, and have barely scratched the surface.

And it all starts with the Covid page. The covid page starts the journey of world globalization.

See for yourself PLEASE.

Once you go on the website, go to the actual Covid page. (not the intro page)

<https://intelligence.weforum.org/topics/a1G0X000006O6EHUA0?tab=publications>

THIS IS THE PROOF YOU NEED. LOOK AT COVID. LOOK HOW MANY TOPICS THERE ARE. EACH TOPIC HAS OVER 200 SUB TOPICS. EACH TOPIC THEN RELATES TO EVERY SINGLE TOPIC & SECTOR YOU CAN THINK OF IN OUR WORLD.

It is impossible that this was made this year, or even last year for that matter. IMPOSSIBLE. "Global Governance" & "The Fourth Industrial Revolution" has been planned out for DECADES.

I highly urge you to go on their site, sign up and look for yourself.

It is called the New World Order.

Or One World Government.

One world, one government, no borders.

The 1 government has complete control of all of us.

Artificial intelligence, controlling our business, our food, our money.

No privacy, no freedom.

I am not going to argue if it's good or bad because I know many of you will say it's good for the world. I mean it is certainly created under the guise of helping eradicate the worlds problems, particularly climate change. Discussing the merits, pros & cons of this, is another conversation. Today I want to just stick to the facts, and is that this GLOBAL GOVERNANCE HAS BEEN PLANNED, and if you go through this site very carefully you can see it all for yourself. I am not conjuring anything up, everything is there for you. To be honest, it is very fascinating. Years and years and years of elite masterminds coming together to think of how to take over the world on this website.

There is no way this elaborate plan to TOTALLY TRANSFORM OUR WORLD, WITH EVERY SINGLE DETAIL PLANNED, just happened. And if you go on the site, you can BLATANTLY SEE: <https://intelligence.weforum.org/topics/a1G0X000006O6EHUA0?tab=publications>

Covid is just the first step to initiate the plans.

Covid is just a starting point to start the process of world domination.

You can blatantly see that Covid has been created here to initiate change, to change our entire world as we know it. How we do everything.

Please go the site and see for yourself. It has the plans for the next 10 years, until 2030 on every single page.

To initiate such RADICAL plans, history has proven things to us:

A scared and divided world is easier to dominate.

Killing the economy and depopulation is how you get an entire world to behave and start from scratch.

The New World Order: wipe the slate clean, and then start our new world heavily focused on artificial intelligence.

GO TO THE WEBSITE AND CHECK FOR YOURSELF.

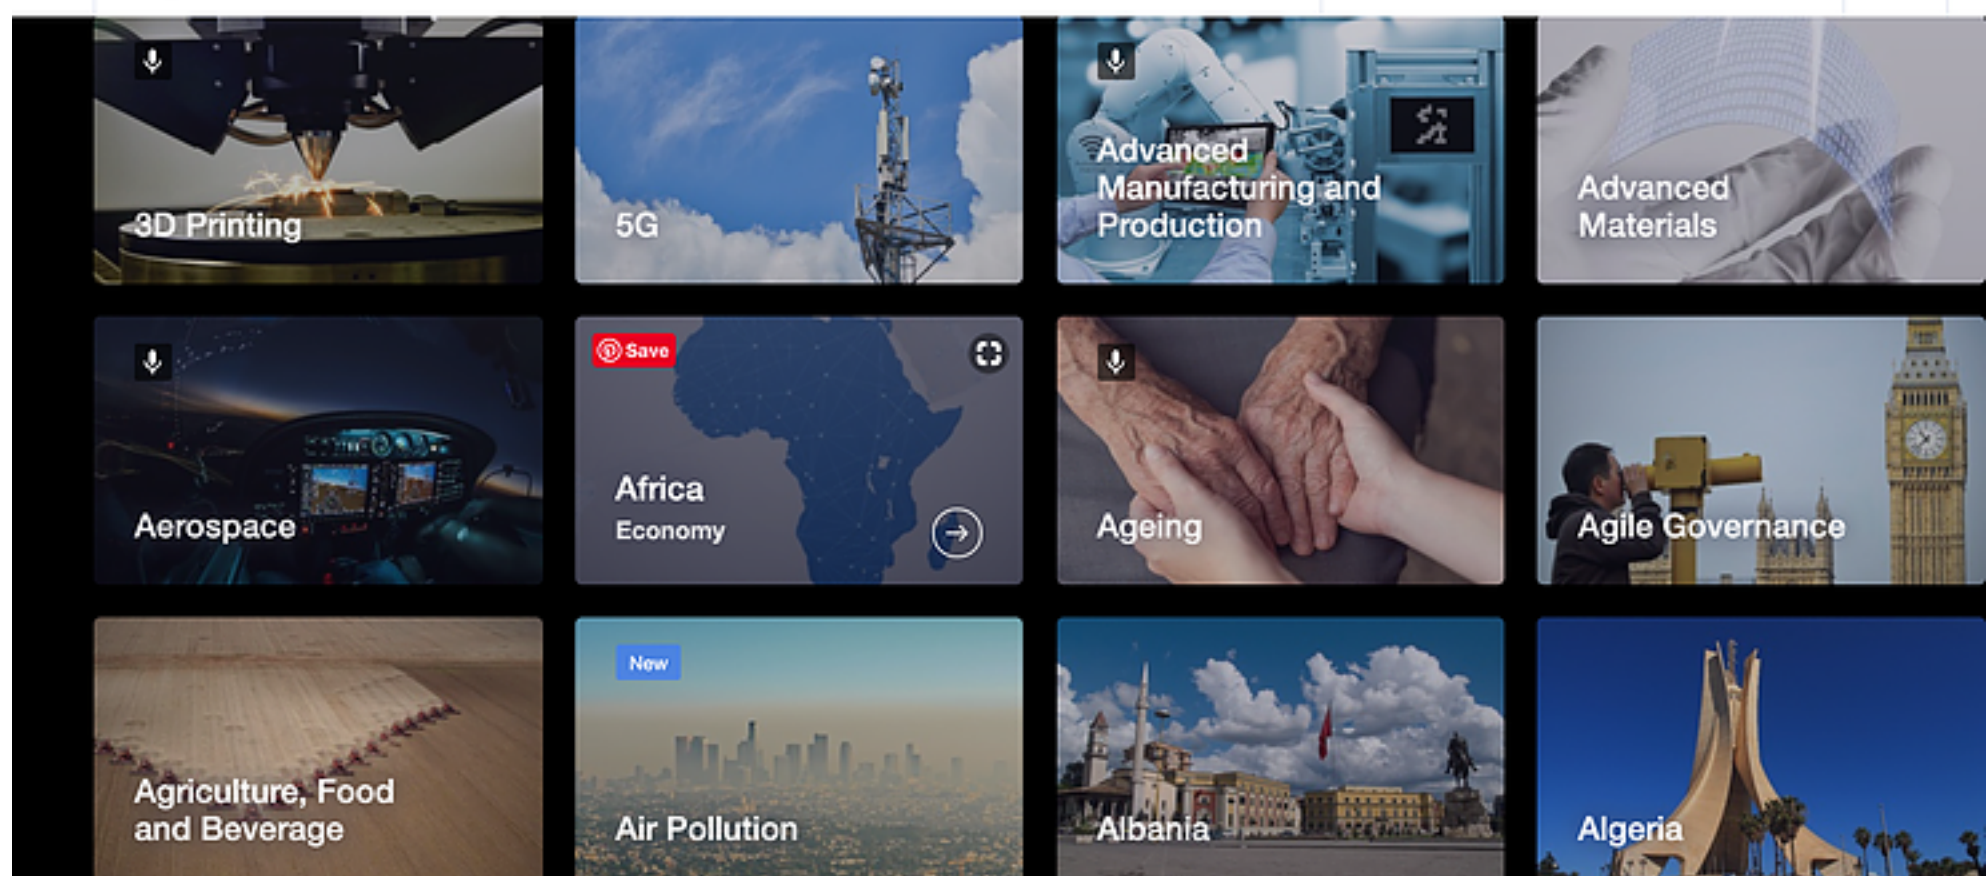

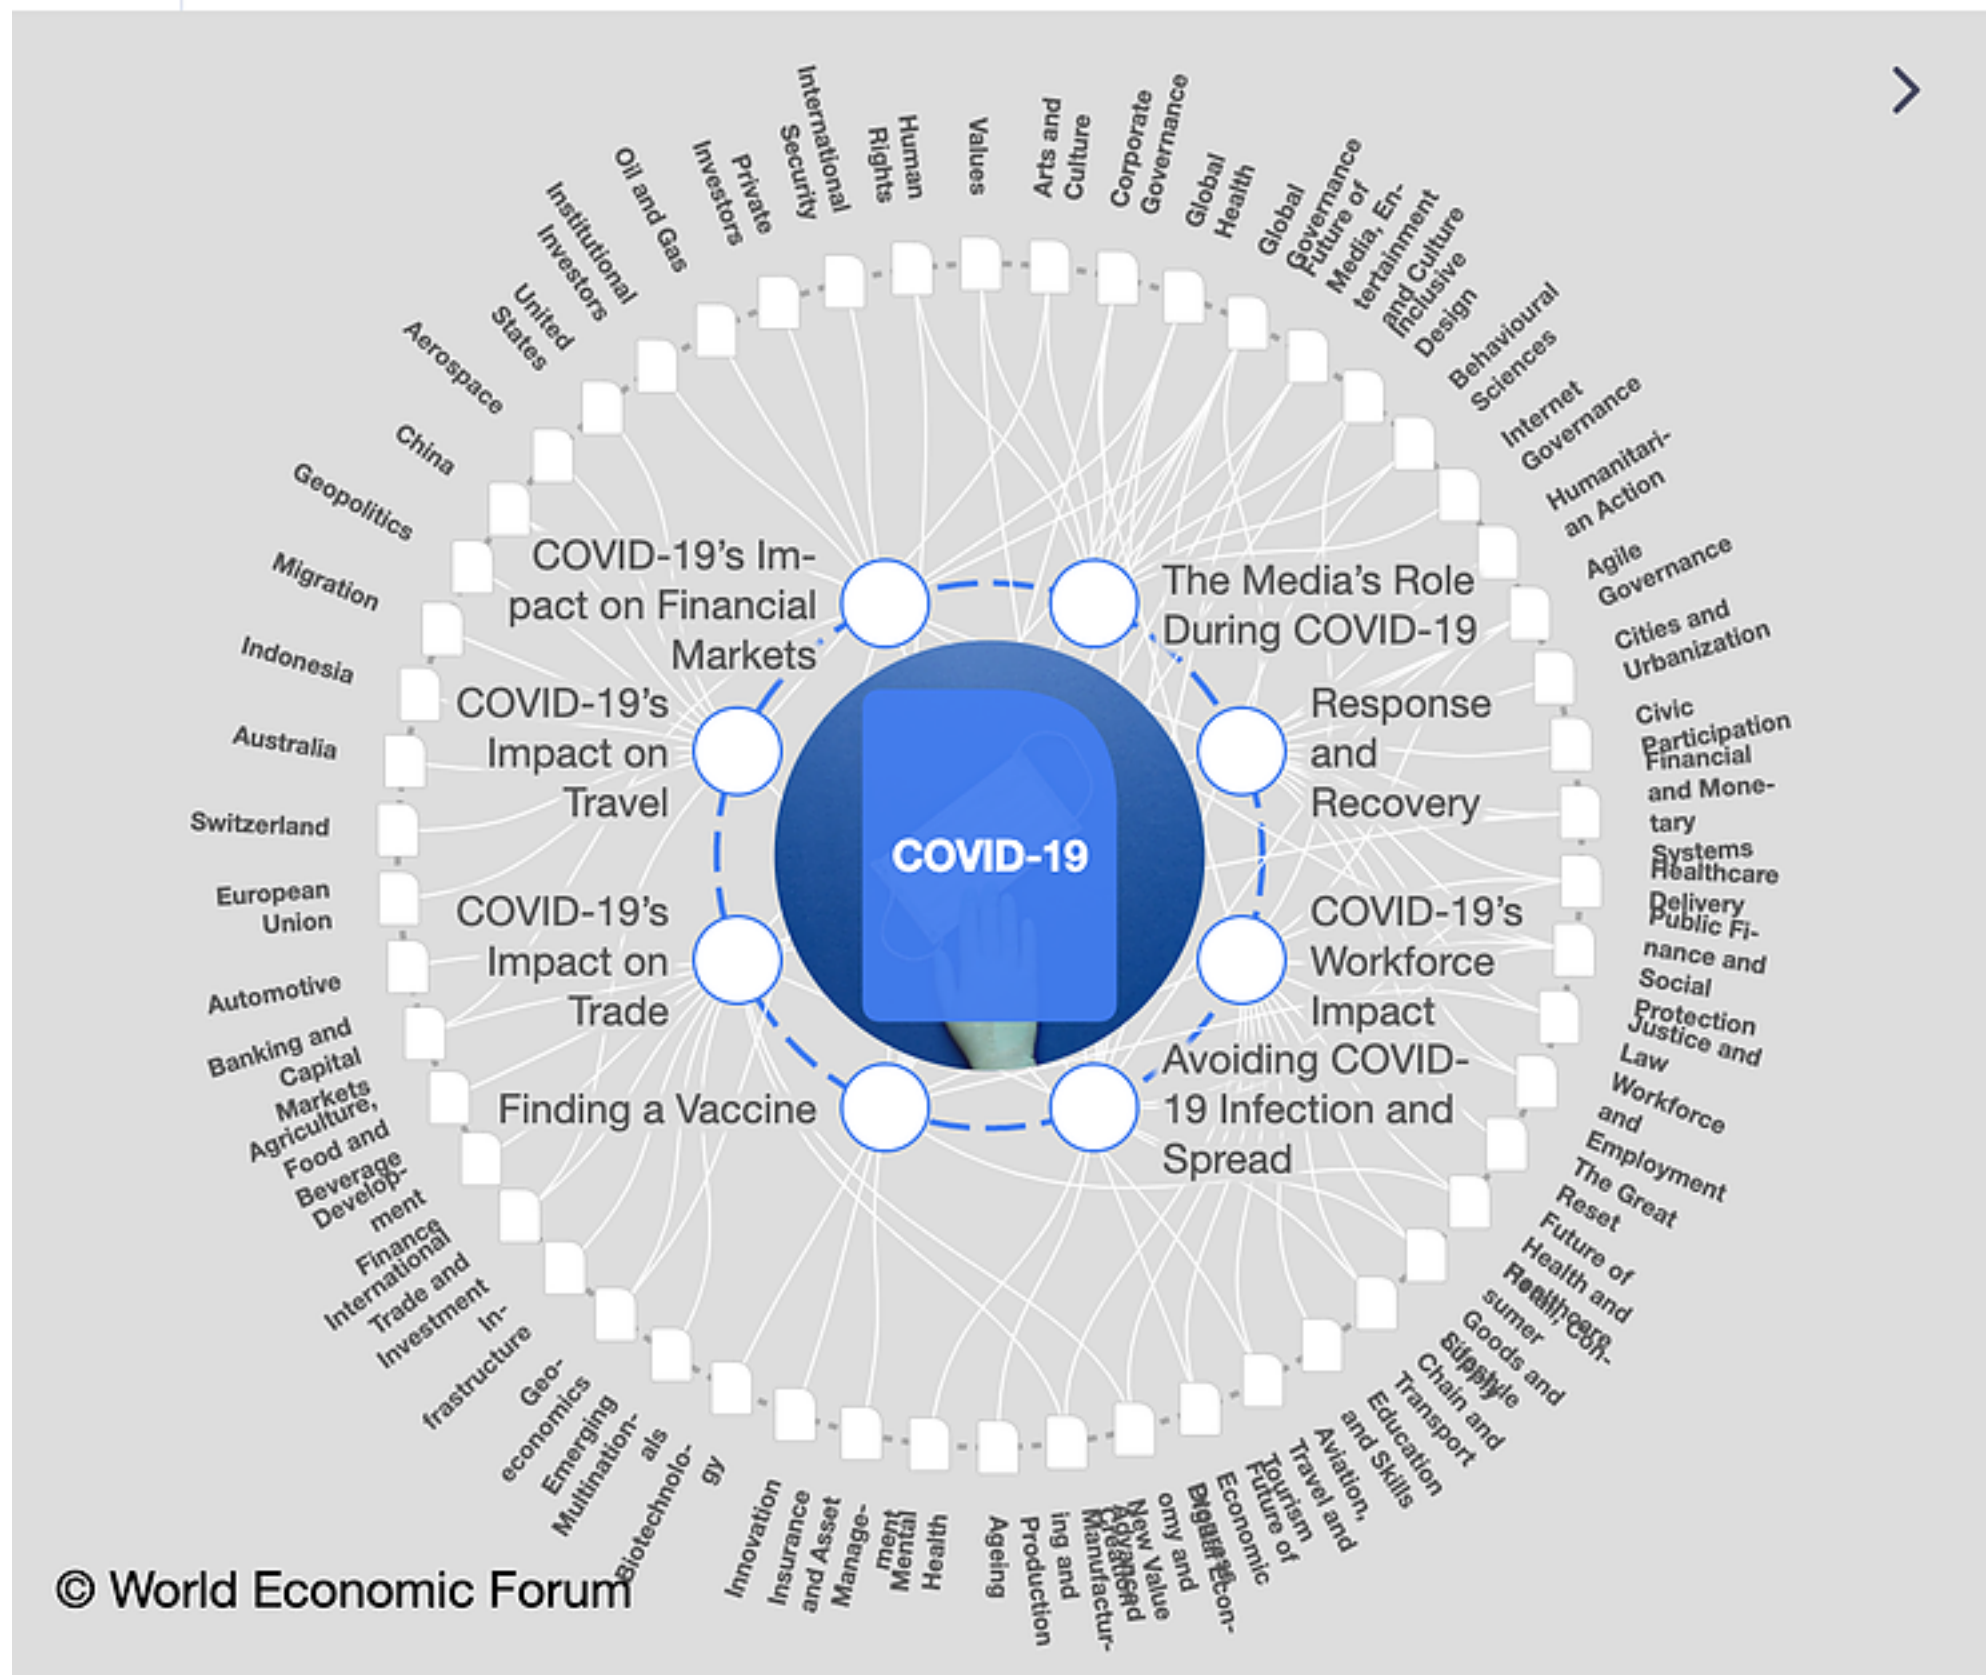

<https://intelligence.weforum.org/topics/a1G0X000006O6EHUA0?tab=publications>

Remember, their words are "feel good words" designed to win us over. I will point that out below in the photos. But like I said, whether it is good or bad is not the discussion right now, my point today is to show you what has been planned for over 50 years.

All of the data and videos on the sides are updated daily and are supporting propaganda to support the current narrative that supports the world takeover. So remember, you have to be able to understand their language and what is really being said. (I had to re-read some things like 10 times to truly understand what the bottom line was, or also to truly understand **what they were not addressing**).

Also, when you go through the site, please note how every single topic and CIRCLE is actually designed to look like the corona!! This is not co-incidence. This is because every single topic for world take-over STARTS with corona).

Here we go...make sure to look at the tentacles, then the sub-topics. Remember, each sub-topic has 200+ MORE levels to go through. You do the math.

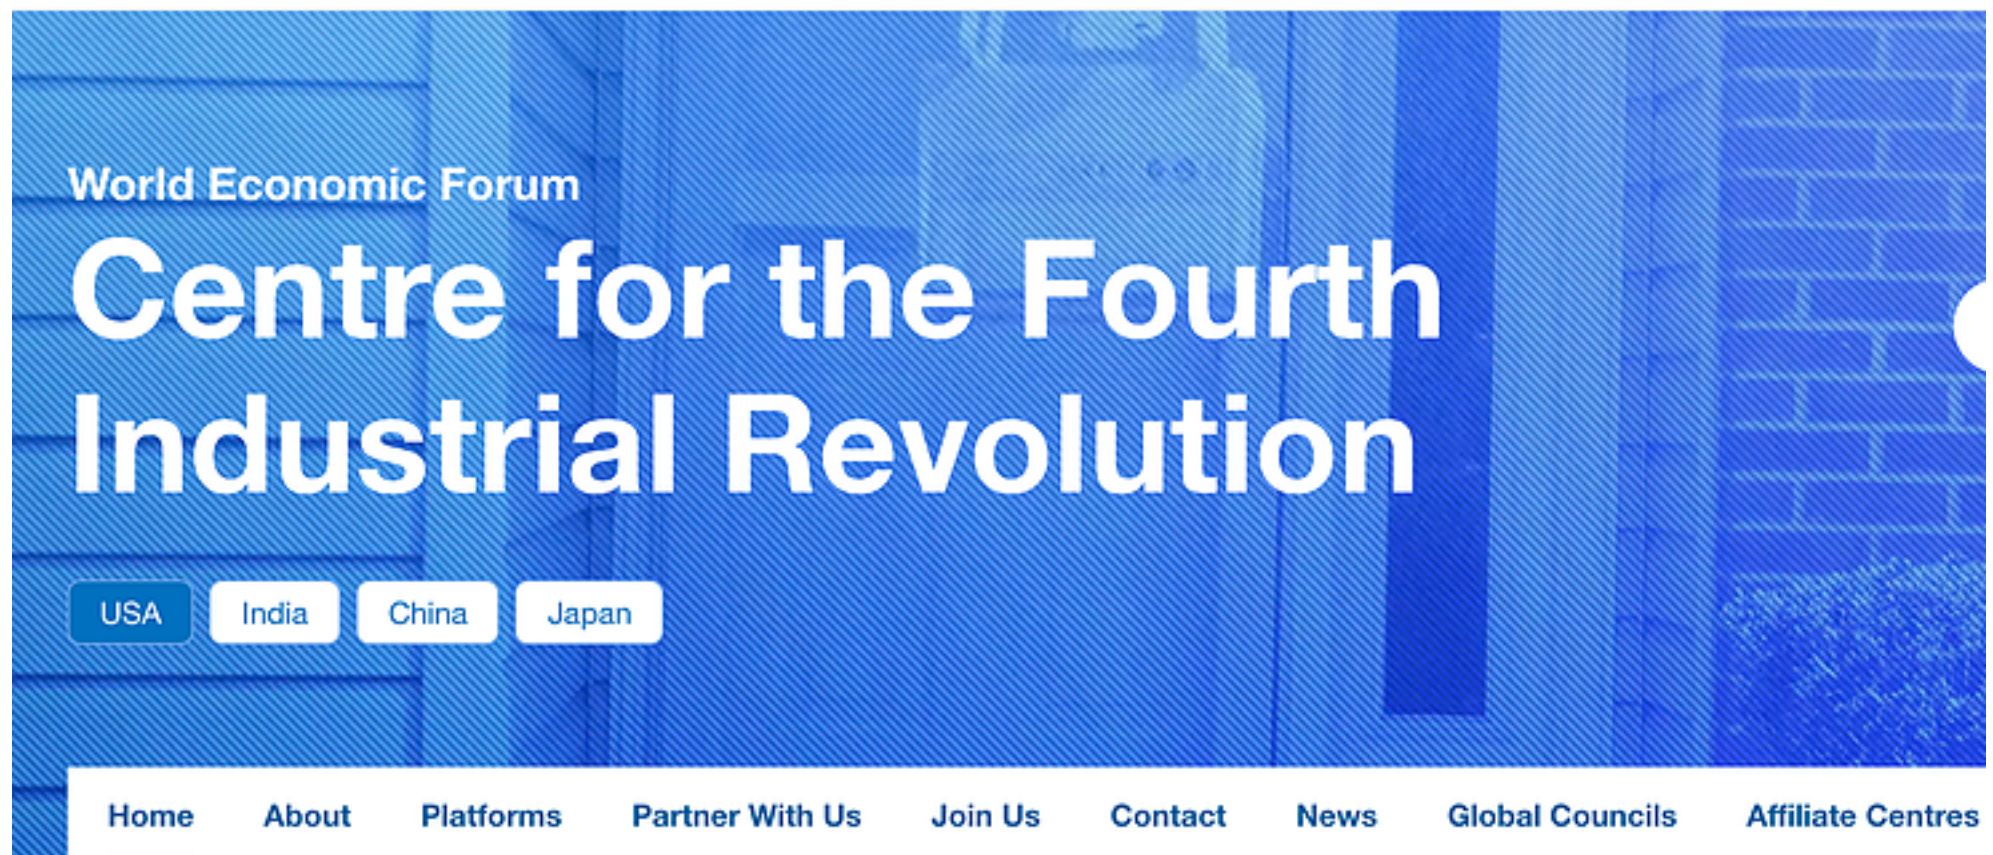

Here are some screen shots to highlight key terms:

You can blatantly see how this one government system on the left affects all the other topics and tentacles, and each topic goes down 200 levels. Look closely, **SEE COVID ON THERE??** That's because this has been planned. Also, see 5G, Anti-Globalism, "The Great Reset, Transnational **ACTORS**, Civic Participation, Artificial Intelligence & Robotic, Human Cyborgs.....this is as far as I've gotten in 24 hours...so much more to dig into).

(Question though: If GLOBAL GOVERNANCE is so good, why do they have to lie to us about it? I mean if it is truly for the greater good of the planet, isn't there a better way of doing this than causing death, pain, and destruction? And if they are lying now, what else are they lying about?)

The screenshot displays a video player interface. At the top, the video title is "Global Governance" with the subtitle "Curation: Blavatnik School of Government, University of Oxford". The video player shows a progress bar at 00:01. The video content is a presentation slide titled "Global Governance" which features a circular diagram. The diagram has a central green circle labeled "Global Governance". Surrounding this are four white circles labeled "Rising Multipolarity", "Anti-Globalism", "Deepening Interdependence", and "Transnational Actors". These are further connected to a ring of smaller white squares, each containing a topic name. The topics include: Global Risks, India, Brazil, Cities and Urbanisation, Financial and Monetary Systems, International Security, Agile Governance, Artificial Intelligence and Robotics, Shift Economy, Humankind in Action, Corruption, Cybersecurity, European Union, OS, COVID-19, Digital Change, Trade and Investment, Environment and Natural Resource Security, The Great Reset, Migration, Geopolitics, Geo-economics, Workforce and Employment, Taxation, Global Participation, Turkey, United States, Corporate Governance, and Digital Governance. Below the diagram, the text "© World Economic Forum" is visible. The video player also shows a play button, a progress bar, and a close button.

NEXT, I would like to mention:

"4th Industrial Revolution" and "The Great Reset". Know these terms. Both of these pages are about what happens when they take over us after Covid. Look how intricate this is. THIS HAS BEEN PLANNED.

Read the summary on the right. Explains what they are doing: "using Covid to harness the power of revolution to change the economy" "characterized by a fusion of technologies that is blurring the lines between the physical, digital, and biological spheres" ***"In its most pessimistic, dehumanized form, the Fourth Industrial Revolution may indeed have the potential to “robotize” humanity and thus to deprive us of our heart and soul."*** (this is directly from the website!)

"The Fourth Industrial Revolution, will change not only what we do but also who we are. It will affect our identity and all the issues associated with it: our sense of privacy, our notions of ownership, our consumption patterns, the time we devote to work and leisure, and how we develop our careers, cultivate our skills, meet people, and nurture relationships. It is already changing our health and leading to a “quantified” self, **and sooner than we think it may lead to human augmentation.**"

I MEAN RIGHT THERE PROVES WHAT THIS IS!!

Strategic Intelligence

Fourth Industrial Revolution

[Listen to an Overview](#)

Summary

The Fourth Industrial Revolution represents a fundamental change in the way we live, work, and relate to one another. It is a new chapter in human development, enabled by technology advances that are commensurate with those of the first, second and third industrial revolutions, and which are merging the physical, digital, and biological worlds in ways that create both promise and peril. The speed, breadth, and depth of this revolution is forcing us to rethink how countries should develop, how organizations create value, and even what it means to be human. Now, as the world grapples with COVID-19, there is an opportunity to further harness the power of the revolution in ways that create a more inclusive, human-centred global economy.

Key Issues

- Ethics and Identity
- Agile Technology Governance
- Inequality
- Business Disruption
- Disruption to Jobs and Skills
- Security and Conflict
- Innovation and Productivity
- Fusing Technologies

Look at how intricate the wheels are. THIS HAS BEEN PLANNED.

NOTICE HOW COVID LINKS TO EVERY SINGLE WHEEL. THAT IS BECAUSE COVID IS THE GATEWAY TO THIS NEW WORLD ORDER.

Look at **"The Great Reset"** description below.....IMPOSSIBLE for that to have been written yet if this was new. Also this: "There is an urgent need for global stakeholders to cooperate in simultaneously managing the direct consequences of the COVID-19 crisis. To improve the state of the world, the World Economic Forum is starting "The Great Reset."

Strategic Intelligence

The Great Reset

Summary

The world is at a historic crossroads, as economies everywhere attempt to pull themselves out of a COVID-19-induced hiatus. The damage inflicted has been horrific in terms of lives taken and livelihoods lost. However, it also presents an opportunity to rebuild in a more inclusive and responsible way. Coronavirus-related lockdowns provided a glimpse of what is possible in terms of limiting pollution, and the pandemic's human toll illustrated what can happen when healthcare systems and social safety nets are neglected. Now, it is up to leaders in the private and public sectors to seize the moment and help create a more equitable and sustainable society.

Key Issues

- Harnessing the Fourth Industrial Revolution
- Strengthening Regional Development
- Revitalizing Global Cooperation
- Developing Sustainable Business Models
- Restoring the Health of the Environment
- Redesigning Social Contracts, Skills and Jobs
- Shaping the Economic Recovery

Look at these timelines I found about the history of UN Meetings. (now that you know what the "Fourth Industrial Revolution" & "Great Reset" are, look at the years)

2010	27-30 January	Improve the state of the world: rethink, redesign, rebuild
2011	26-30 January	Shared norms for the new reality
2012	25-29 January	The great transformation: shaping new models
2013	23-27 January	Resilient dynamism ^[33]
2014	22-25 January	The reshaping of the world: consequences for society, politics and business
2015	21-24 January	New global context
2016	20-23 January	Mastering the fourth industrial revolution
2017	17-20 January	Responsive and responsible leadership
2018	23-26 January	Creating a shared future in a fractured world
2019	22-25 January	Globalization 4.0: shaping a global architecture in the age of the fourth industrial revolution
2020	20-24 January	Stakeholders for a cohesive and sustainable world ^[34]

Also, on my research I found that part of the New World Order/One World Government agenda is to remove the requirement for food labeling and to restrict and ultimately prohibit the sale of all natural health products!! Eventually, eating from nature will not be allowed. They will provide us with Monsanto food solely focused on a specific number of proteins and carbohydrates. This is all here when you dig deep.

This lady does a video to walk you through the whole process: (I highly recommend you watch this and go through it with her. It is very helpful as this is a very INTRICATE DOCUMENT THAT HAS BEEN DESIGNED FOR OVER 50 YEARS)

COVID IS JUST A SMOKE SCREEN TO START GLOBAL GOVERNANCE.
This is what is happening.

On my extensive research I found these EYE-OPENING statements/info:

****Do you know about Event 201? Research it. *Bill Gates & World Economic Forum Simulated Coronavirus Outbreak 6 Weeks Before First Case in Wuhan.* Co-incidence?**

"A comprehensive blueprint for the reorganization of human society." ~ (in reference to the Agenda 2030 which was written in 2015)

Agenda 2030 action plan devised by the U.N. and signed by 178 governments. Its goal is the depopulation of humanity because "we are too many". It is promoted by the elites as a way to "save the planet" and implemented by governments worldwide.

"This is the year when world leaders must work with all sectors of society to repair and reinvigorate our systems of cooperation, not just for short-term benefit but for tackling our deep-rooted risks," ~ (stated at World Economic Forum in Jan 2020)

"The present vast overpopulation, now far beyond the world carrying capacity, cannot be answered by future reductions in the birth rate due to contraception, sterilization and abortion, but must be met in the present by the reduction of numbers presently existing. This must be done by whatever means necessary". ~

UN statement

"A total world population of 250-300 million people, a 95% decline from present levels, would be ideal". ~ Ted Turner, UN

"Isn't the only hope for the planet that the industrialized nations collapse? Isn't it our responsibility to bring that about?" ~ Maurice Strong, Secretary General of the UN Chairman of the Earth Summit as he delivered an official statement. (2015)

"We've got to ride this global warming issue. Even if the theory of global warming is wrong, we will be doing the right thing in terms of economic and environmental policy."

~ Timothy Wirth (President, UN Foundation). Notice that Mr. Wirth is as concerned with the economy as he is with the environment!

"The world today has 7.7 billion people. That's heading up to about nine billion. Now if we do a really great job on **new vaccines**, health care & reproductive health services, we could lower that by perhaps 10 or 15 percent." ~ Bill Gates

"Vaccines, for Bill Gates, are a strategic philanthropy that feed his many vaccine-related businesses (including Microsoft's ambition to control a global vac ID enterprise) and give him dictatorial control over global health policy-the spear tip of corporate neo-imperialism. Gates' obsession with vaccines seems fueled by a messianic conviction that he is ordained to save the world with technology and a god-like willingness to experiment with the lives of lesser humans." ~ Robert Kennedy Jr.

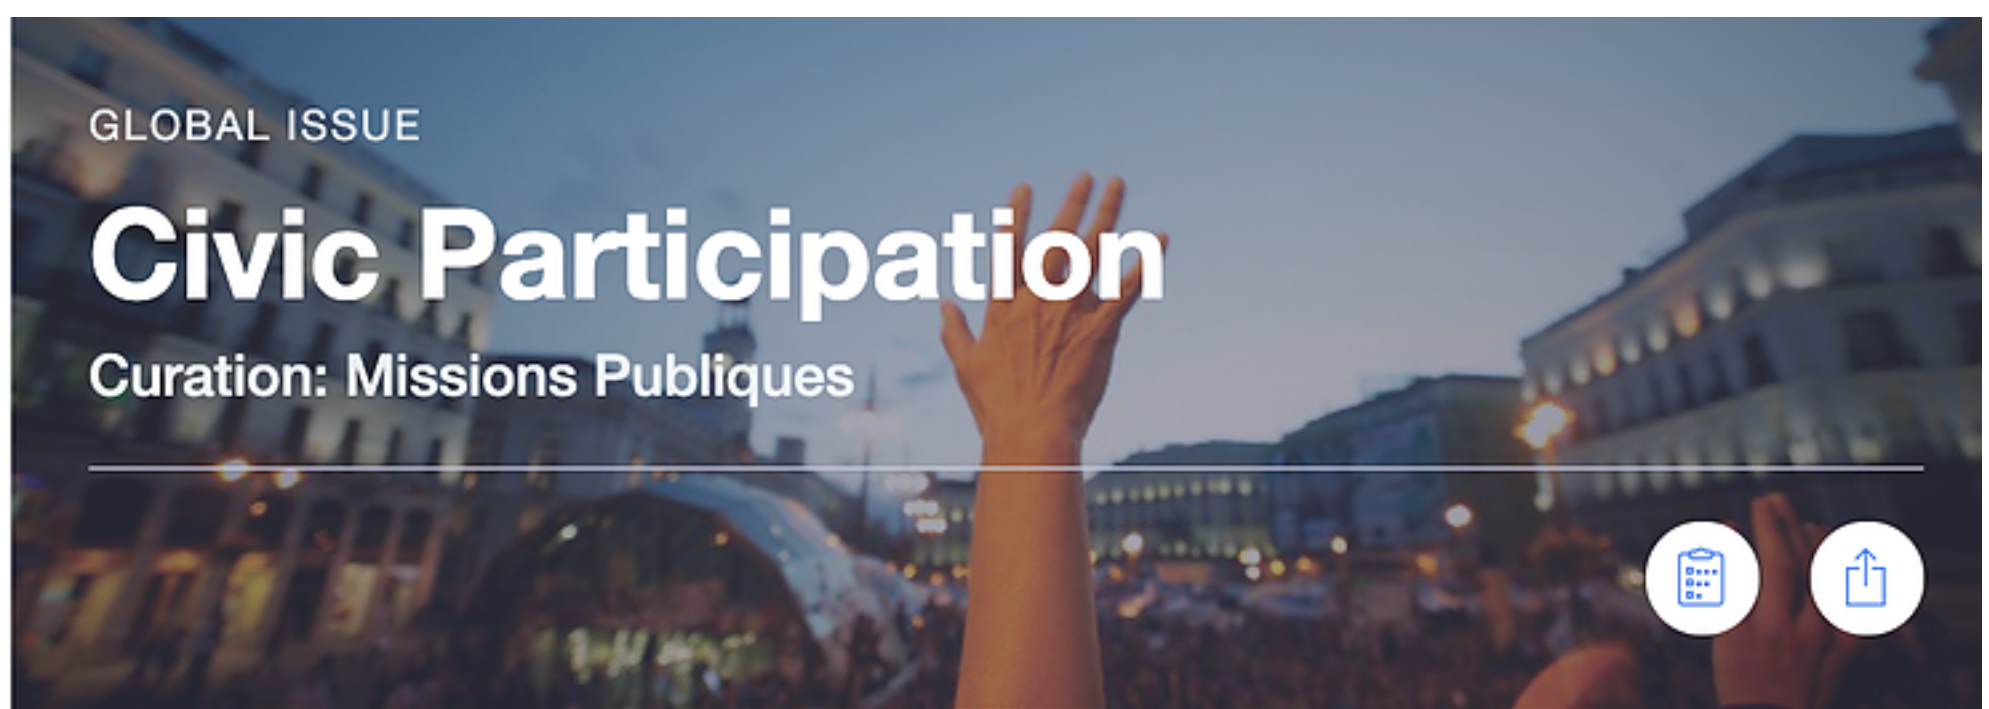

The bulk of humanity has become expendable. We were good to the elite when they could exploit our labor and enjoy the fruits of humanity's talents. One-third of jobs now performed by humans will be replaced by software, robots, and smart machines by 2025, according to a prediction by information technology research and advisory firm Gartner.

Robots do not require food, health benefits nor do they require a minimum wage. The use of robotics in replacing humans will only continue to expand, according to Ray Kurzweil, the director of engineering at Google. Kurzweil anticipates that by 2029 robots will have reached human levels of intelligence and functionality. Many experts predict that these robots will put people out of work and this is exactly what we are finding.

By 2030, there will be no 100% natural babies anymore. All babies will be programmed. ~(this was stated in a video from the WEF)

And then this bizarre statement which I fact checked 4 times. He wrote this in 1978 in his book:

"No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a LUCIFERIAN Initiation." – David Spangler, Director of Planetary Initiative United Nations

Summary

Bottom-up forms of civic participation are flourishing in a new era powered by technology. People are getting organized quicker and in greater numbers, and tools like petitions, direct action and civil disobedience are back on the scene. At the same time, the past couple of decades have brought an increasing number of top-down forms of civic participation - where the political system itself includes processes like citizens' juries, participatory budgeting, and

(See above how they mention "civil disobedience" they are talking about the people who are resisting globalism. Here we can also find a lot of information on CENSORSHIP (currently taking place as we know for ANYONE speaking against the narrative...like myself who has had many posts going missing on my FB and IG).

YOUTUBE TUTORIAL: <https://www.youtube.com/watch?v=ngPWYI6hH9U>

In anutshell:

The 2030 Agenda to “Transform the World” is to be built on the ruins and desolation of the world economy for control over our lives. They are fast moving toward the goal of eliminating individual nation states; controlling individual actions and wiping private property ownership from the face of the Earth. Their goal is to make us all “equal” in the same chains.

Agenda 2030 is promoted by the elites as a way to “save the planet” and implemented by governments worldwide. Bill Gates even shared his view about how to achieve this goal by vaccinations and other means in a TedX lecture. (I am sure we have all seen his videos all over the web).

Final notes:

I dug deep in my research as I am committed to figuring out what the fuck is going on in our world. It is my duty to share my findings with anyone that wants to listen.

Side note: I have also found out that in 2018, America has **declined** being a part of the Agenda 2030 because America would like to keep its **sovereignty**. *“Around the world, responsible nations must defend against threats to sovereignty not just from global governance, but also from other, new forms of coercion and domination.”*

I could write a lot more on this as I research this everyday, but I will save that for next time.

WHAT CAN WE DO?

AWAKEN.

SHARE THIS MESSAGE.

PEOPLE NEED TO KNOW WE ARE BEING PLAYED & MANIPULATED.

THE MORE PEOPLE KNOW, THE MORE WE CAN STOP THIS.

Bill H.R. 6666, mandated vaccines, microchips, and 5G (to start) are designed for surveillance + artificial intelligence to track us AT ALL TIMES. On May 12, 2020 Dr. Fauci even says "There is no guarantee that a COVID-19 vaccine will be effective." Do you understand what is happening here....they are telling us that there is no guarantee but we still have to take it? Can you see how this does not make sense?

We need to all think clearly and operate from a place of unity and love.....that's how we foil up their plans. They want us scared and divided. They don't want us powerful and we are powerful when we are empowered with knowledge and we work together with love and respect.

I am sorry if this information is hard for you but it is my duty to tell you and warn you what is happening.

All I can say is “yup”. The facts are out there. But I think most people want to/need to believe that our government and political system are there to protect us. The movie, “Requiem for the American Dream” pretty much spells out the whole insidious plot that started back in 60s. The COVID situation was an easy way to hasten the plan. And yeah... kinda weird how there were conferences about “pandemic disaster scenarios” less than a year before one magically appeared. And so... here we are.

Thank you for your hard work and dedication to sharing your research with us. This is a lot to digest, and as a mother and grandmother I worry for future generations. As a yogi, I embraced the idea of the world being all one world we needed to care for, and that all borders are simply lines drawn by men. People should freely enjoy the entire world and all were responsible for caring for the world are the teachings. Those teachings ring true to me and beautiful in concept - everyone being able to travel and share in the many cultures of the world and enjoy the bounties of Mother Earth. As I've read your posting and followed some of the subsections, the world that is being proposed is nothing like the yogic teachings. A world dominance with specific agendas seems right out of James Bond, and yet I'm shocked to realize that it's true, the orchestration of nearly 3 months quarantined - the entire world - and now discussions of mandatory vaccines are being touted as a solution to COVID - at this point I am awakening to the enormity of this situation and feel we will all need every ounce of strength and high vibration that we can bring to each moment.

Thanks again, Grace - though living in my peaceful bubble of love was much easier.

I'm exhausted after 3 hours of reading, Grace - 24 hours of reading about this Global Rule is daunting and kudos to you. It's almost beyond comprehension to me to realize that so many wonderful sounding concepts could be used to cover the subtle but very pronounced agenda of a single world dominance, with all nations expected to adhere to the International Laws. The developing nations in total dependence financially to raise them up to the International Standard and seemingly expected to be paid for by developed nations. With words like "should support...."by officials from UN, in the webinar video on COVID, and reading the list of Sustainable Development Goals also noting the expectations of financial support to meet the goals - this is not a UN of nations cooperating for the greater good. It is a UN Agenda that is setting up Global Rule that directs all countries in accordance with the International Agenda. While I agree with many of the stated intentions, the language used and reading between the lines causes my energetic field to be on high alert - I need to decompress. Please take care of yourself, Grace. Namaste

As of today, i read in yahoo news (which is the most totally biased to the left) that 2nd wave of Covid is appearing in parts of the country. We were warned that they would pull this and here it is. It's coming, so they say. I believe, that even before the election campaigns start kicking in soon, that this 2nd wave will be pushed to make more of a point, that ("We need to remove Trump) movement, which is obviously part of the plan. Between Covid, the Floyd thing, the 2nd wave of Covid, mandatory vaccinations, the RFID chip installed in each of us sheep, will be mandatory. So, they say, that if we don't comply with these things, we won't be able to drive, go into public, travel, nothing. Don't let this happen, people. It's OUR country, not theirs.

Yes everything you said is right I've been watching and reading a lot wondering why we are in isolation thinking there was something bigger.

The last 3 day I found a lot of information out about all this and it made me think why am I working why iam bothering with money, just thought to myself omg my life has been a waste!! It basically blow my mind of having no freedom!!!! But now we stand for are freedom that we were born with, tell the truth, spread the freedom and truth!!!

You are as passionate as I. I figure what on earth do we have to lose by spreading the word? At least at the end of our days, we have acted in stewardship. When I post anywhere I say, Ignore or dismiss, it matters not to me. It will be about those in a crowd that will say at some point, what happened? when it happens. I have met many people that do not have a curious mind. I almost think it is because of abject fear. Yet, I watch those same people do crazy, reckless, mindless things so unless they are exhibiting true fear those are NOT the ones who will be friends in camp. Thank you for your tireless work. It is tiring but rewarding. I knew about this some time now, and found you on twitter. Keep posting and keep alerting. It is all we can do. I have lived a pretty long life already and have settled in the mountainous forest to finish out the years but those we leave behind will be in battle. It is a despicable act to have 173 countries sign this UN Agenda with Obama cheering them on in Brazil and no one really knew back home. Everything is a covert act and no one left to trust but ourselves.

You are as passionate as I. I figure what on earth do we have to lose by spreading the word? At least at the end of our days, we have acted in stewardship. When I post anywhere I say, Ignore or dismiss, it matters not to me. It will be about those in a crowd that will say at some point, what happened? when it happens. Hello Grace,

I received your article from a friend. Great read. I have been a truth seeker for many decades and at 60 I am still learning. I was in my 30's when the 9/11 false flag event was perpetuated as planned and the effects were chilling back then. This "corona virus event" is at a much grander scale and as you state has been planned for many years. The MSM and our indoctrinating education system have done a great job of dumbing down the masses and keeping them in what seems to be a trance. Celebrity worship is promoted along with the lowest levels of human existence. We are mocked daily in the "news". I still hold out hope that enough will "wake up" out of their stupor and fear in time to push back against the agendas being implemented. It will be a battle as the elites know best how to keep the masses under constant fear and anger with divisive news events. After all Order out of Chaos is their modus operandi. I might have missed it but are you aware of EVENT 201 (<https://www.centerforhealthsecurity.org/event201/resources>) that was a recent (October 18, 2019 , NYC) Coronavirus Simulation planning event? All the big player were in attendance. Another planning meeting was called Clade X (https://www.centerforhealthsecurity.org/our-work/events/2018_clade_x_exercise/). Also check out Dr. Fauci a key note speaker at the Center for Global Health Science and Security in 2017 at this event @ 3:31 he states there will be a "surprise pandemic" that the next administration(Trump) will have to deal with. <https://www.youtube.com/watch?v=DNXGAxGJgQI> Hmmm. Coincidental...I think not.

Hi Grace,

I suggest you read into Luciferian Beliefs. It is not that concerning, arguably I would say those who practice it are likely better off as a whole than those who don't. Morally, you treat others well but not if they act immorally. It encourages free thinking and self-determination and association by choice. Wealth is not shameful and false idols are not encouraged. Anyway, take a step back - the whole situation is not as dire as you think. And if the plan is central to Luciferian principles then at least communists will be stopped as it directly opposes free thought and self determination.

The real issue is whether a Third World War will occur as China and other powers like Russia increase their communist presence in the world.

VERY well done Grace.

Can't we all just get along?

Rodney King (1992)

Can't we all just agree we are all getting screwed?

Bruce Cain (2020)

We, the American People, are being played. The Elite has always sought to divide us along the lines of race, religion, class in order that we will fight among ourselves. It makes it so much easier for the Elite to control the masses. This strategy goes back thousands of years and is generally known as "divide and conquer" or "divide and rule."

George Soros is the flexian most responsible for pushing the racial divide and conquer strategy. Obama is another. It started with Trayvon Martin (2009) who was alleged to be an innocent little black teen indiscriminately killed by a "whitey" -- actually a Hispanic. It took months before the truth began to come out. Trayvon was basically a 6 foot thug who was murdered in self defense.

In the following years it was rinse and repeat. Find a black man that was murdered by the

police: preferably White but never Black. Organize Black Lives Matter Protests (funded by Soros and many US Corporations). Burn down the central cities largely owned by black businessmen. The cities never recover and the economic rot spreads. We saw this in W. Baltimore, Ferguson and most recently in Minnesota with the senseless murder of George Floyd. In the last 11 years this has resulted in the destruction of many largely black cities where the real losers were the black citizens and black business owners.

The real enemy is the banksters and the corporate elite . . . not ALL white people. Just look at Detroit. Beginning in the 60's Ford, Chrysler, General Motors began shipping their jobs and factories to China and other 3rd world countries. At the same time automation was slowly eating away at the jobs. The unemployed began selling drugs to make ends meet and many ended up in prison . . . effectively destroying the social fabric of lower class black, white and Hispanic families.

I worked nearly 30 years to end the Drug War: which was used to put unemployed blacks/whites/hispanics into prisons for profit. I nearly lost my job when I went on local television to call for an end to the drug war. in 1989. In the interview I disclosed the fact that every person (mostly black) that was disabled, in territorial gunfights, we costing us over a million dollars apiece. It was destroying lives, families and cities . . . all at the same time. Oh did I mention: I'm white. And I was standing up for the black, white and hispanic community. I was standing up for all humans.

Black Lives Matter

Soros started this crap to divide us. Martin Luther King would be rolling in his grave over this crap. The most important quote attributed to MLK was this:

"I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character. I have a dream today!" [1963]

I was nine years old when he gave that speech. Can you imagine MLK actually saying ONLY Black Lives Matter? Isn't it odd that people are being called racist for merely saying All Lives Matter. You don't see that you are being played?

The fact is all races, classes, religions -- humans -- have been getting it up the keister for decades. From my parents generation (the Great Generation), to my generation (The Baby Boom Generation) to my kids generation (the Mellenials, Generation X,Y, Z) there has been a decline in wealth, income and security for all of us: Black, White, Brown. All of us. But like a bunch of idiots we attack the police when we should be attacking the Elite.

Meanwhile the Elite -- also composed of rich Whites, Blacks, Hispanics, Muslims, Jews, Christians, Eugenicists, Globalists etc. -- are getting richer by the day: at our expense. Oh but don't pay any attention to that.

Yes we need to stop "No Knock Police Raids," we need to get rid of the very small minority of bad cops: both white and black and Hispanic. But the bigger problem is what you might call the Global Elite.

At the top of that pyramid you have the Rothschild's and Rockefeller's who formed the Federal Reserve in 1913, financed the United Nations, were responsible for Marijuana Prohibition beginning in the early 1900's. Now these fuckers want you to become slaves under the UN's One World Government. Lower on this pyramid are the "flexians" such as Bill Gates and George Soros. Bill wants to chip you like an animal and force you to get his vaccines in the wake of the Plandemic. George is out to destroy your cities through anarchy and you

government as well. Ultimately he wants so much anarchy that a Global Police Force will be brought in to maintain order.

You also might want to research the "Strong Cities Initiative" that Obama began pushing during his 2-term administration. "Strong Cities" is part of the UN's Agenda21 and Agenda2030. He wanted a globalized police force. He wanted a global government.

Who do you think is going to enforce the laws once you defund the local police departments and allow anarchy in cities across the US.

In conclusion we are being played by a Divide and Conquer Strategy that various elites have used to control the masses for thousands of years. We are in the midst of the 4th Industrial Revolution right now where the elite wants to control all of us: through mass surveillance, 5G infrastructure, tracking us through biometric ID (Bill Gates).

This is no time for us humans to get played. The anarchy in Seattle could spread to other cities if we don't wake up. And Soros has his fingers all over this crap.

If you really want to make this world a better place, for all of us, may I suggest a first step.

Demand the arrest, prosecution and imprisonment of George Soros and Bill Gates.

Divide and rule (Latin: divide et impera), or divide and conquer, in politics and sociology is gaining and maintaining power by breaking up larger concentrations of power into pieces that individually have less power than the one implementing the strategy.

We can't just live life to it's fullest with the freedom that we were born with anymore without the government kneeling down on us and cutting off our air supply but we can have a government sanction riot and multiple services for a guy that was nothing more than a criminal and a drug addict.He didn't give his life in a heroic way, he just simply died at the hands of a cop that was no better than him...
