

118TH CONGRESS
1ST SESSION

H. RES. 410

Impeaching Merrick Brian Garland, Attorney General of the United States, for facilitating the weaponization and politicization of the United States justice system against the American people.

IN THE HOUSE OF REPRESENTATIVES

MAY 17, 2023

Ms. GREENE of Georgia submitted the following resolution; which was referred to the Committee on the Judiciary

RESOLUTION

Impeaching Merrick Brian Garland, Attorney General of the United States, for facilitating the weaponization and politicization of the United States justice system against the American people.

1 *Resolved*, That Merrick Brian Garland, Attorney General of the United States, is impeached for facilitating the weaponization and politicization of the United States justice system against the American people, and that the following articles of impeachment be exhibited to the United States Senate:

7 Articles of impeachment exhibited by the House of Representatives of the United States of America in the

1 name of itself and of the people of the United States of
2 America, against Merrick Brian Garland, Attorney Gen-
3 eral of the United States of America, in maintenance and
4 support of its impeachment against him for facilitating the
5 weaponization and politicization of the United States jus-
6 tice system against the American people.

7 The Constitution provides that the House of Rep-
8 resentatives “shall have the sole Power of Impeachment”
9 and that the Attorney General, as a civil officer of the
10 United States, “shall be removed from Office on Impeach-
11 ment for, and Conviction of, Treason, Bribery, or other
12 high Crimes and Misdemeanors”.

13 In his conduct as Attorney General of the United
14 States, in violation of his constitutional oath faithfully to
15 execute the office of the Attorney General of the United
16 States, and, to the best of his ability, preserve, protect,
17 and defend, the Constitution of the United States, Merrick
18 Brian Garland continues to materially endanger the jus-
19 tice system of the United States and empower President
20 Joseph R. Biden, Jr., to persecute his political adversaries
21 at will.

22 ARTICLE I

23 Rather than adhering to an oath he took to defend
24 and secure our country and uphold the Constitution when
25 he was sworn in as Attorney General on March 11, 2021,
26 Attorney General Garland has willingly refused to ensure

1 that the laws passed by Congress and signed by the Presi-
2 dent are faithfully executed.

3 Attorney General Garland has failed to uphold his
4 oath and has instead overseen a denigration of the prin-
5 ciples of our democratic republic by politicizing the De-
6 partment of Justice, and utilizing the Federal Bureau of
7 Investigation as a Federal police force to punish or intimi-
8 date anyone who questions or opposes the current regime.

9 Attorney General Garland issued an October 2021
10 memorandum directing the targeting of parents by the
11 Federal Bureau of Investigation. Garland's memorandum
12 was prompted by a letter to President Joe Biden by the
13 National School Boards Association (NSBA). That letter
14 drew comparisons between parents protesting actions by
15 their local school boards to domestic terrorism. Attorney
16 General Garland has declared war on American parents
17 and the constitutional right of free speech.

18 Attorney General Garland has disgracefully per-
19 mitted the Department of Justice to target people of faith
20 and those seeking to protect the sanctity of life. Garland's
21 Department of Justice refused to designate violent pro-
22 abortion groups such as Jane's Revenge as domestic ter-
23 rorist organizations. As of early May, there have been at
24 least 85 attacks on pregnancy resource centers and 152
25 attacks on Catholic churches since the May 2022 Dobbs

1 leak. Many of these buildings have been vandalized with
2 threats such as, “If abortions aren’t safe, neither are
3 you”, making the attacks incidents of suspected pro-abor-
4 tion violence.

5 Attorney General Garland has refused to prosecute
6 leftist extremists that harassed and threatened Supreme
7 Court Justices at their homes in the wake of Dobbs deci-
8 sion.

9 Rather than focusing on prosecuting Antifa and
10 Black Lives Matters rioters that have desecrated Amer-
11 ican cities and caused billions of dollars worth of public
12 and private property damage, Attorney General Garland
13 has overseen the persecution of Americans for partici-
14 pating in political protest.

15 Attorney General Garland has taken measures to si-
16 lence the voices of millions of citizens of the United States
17 by persecuting the former duly elected and lawful Presi-
18 dent of the United States, and Presidential candidate,
19 Donald J. Trump.

20 Attorney General Garland has engaged in abuse of
21 power by becoming a tool of the Biden regime’s two-tiered
22 justice system.

23 **ARTICLE II**

24 Attorney General Garland, in persecuting former
25 President Donald J. Trump over documents he legally de-
26 classified, has engaged in a pattern of conduct that is in-

1 compatible with his duties as a civil officer of the United
2 States.

3 Attorney General Garland has refused to prosecute
4 the Biden family and its associates for the crimes they
5 have committed at the expense of the American people.

6 Attorney General Garland, in his failure to uphold
7 the oath he took, has, by his actions, lost the trust of citi-
8 zens of the United States to faithfully execute the laws
9 of the United States without partisan bias.

10 Attorney General Garland's actions run counter to
11 the steps that employees of the Executive branch must
12 take to avoid "an appearance of loss of impartiality".

13 Attorney General Garland's failure to address the
14 conflict of interest arising from the persecution of his em-
15 ployer, President Joseph R. Biden, Jr.'s, political adver-
16 sary, Donald J. Trump, demonstrates that he is unfit to
17 hold the office of Attorney General.

18 Attorney General Garland, by such conduct, has dem-
19 onstrated that he will remain a threat to the justice system
20 of the United States of America if allowed to remain in
21 office, and has acted in a manner grossly incompatible
22 with democracy, self-governance, and the rule of law.

23 Wherefore, Merrick Brian Garland, thus warrants
24 impeachment and trial, removal from office, and disquali-

1 fication to hold and enjoy any office of honor, trust, or
2 profit under the United States.
