Mossad from 1977 to 1987, is a mysterious figure who was arrested in 1989 in the US on charges of arms dealing. He was acquitted in 1990, however, only after a jury accepted that he was acting on behalf of the Israeli state. Israel then denied that Menashe has any links with its intelligence services and attempted to distance itself from him, despite the fact that other news reports both in the US and Israel confirmed he was acting on the country's behalf. The new book, which also speculates that Maxwell may have worked for other governments as a
