Welcome to
Rosedale Growers

Something is always growing at Rosedale Growers!

Since '84, Rosedale Growers has brought beautiful blooms, reliable and knowledgeable service, and affordable quality to home gardeners, landscapers, and wholesale purchasers.

We are a family-owned and operated local business with customer satisfaction as our first priority; carrying the top names and brands that have been in your garden for years and a few delightful surprises. Find a wide variety of blooming annuals and perennials, shrubs, house plants and succulents, ground covers, ferns, grasses, and vegetable seedlings ready to go.

Working year-round to grow from seeds, plugs, cuttings, and divisions - the Rosedale Growers staff puts forth a great effort to offer you plants that are healthy, strong, and ready for you to plant!

Sincerely,
Richard and Lisa Castellon, Owners
